The Minister of Industry for Prince Edward Island and the Minister of the Atlantic Canada Opportunities Agency who are responsible for the Canada/Prince Edward Island Cooperation Agreement on Market Development are pleased to present this edition of the Prince Edward

The intent of the Directory is to assist purchasers, both on and off the Island, to locate sources of supply for Prince Edward Island products.

We trust the Directory will be of value to the many users who will find cause to contact one of our businesses.

The Directory

The Directory, consisting of the names of Manufacturing and Processing businesses on Prince Edward Island, has been prepared under the Canada/P.E.I. Cooperation Agreement on Market Development for the P.E.I. Department of Industry and the Atlantic Canada Opportunities Agency by the Prince Edward Island Development Agency's Marketing Division.

The Directory entails the product listing of all firms as well as addresses, phone numbers and contact names, number of employees per firm, and an overall economic profile of Prince Edward Island.

One of the mandates of the Canada/P.E.I. Marketing Agreement is to strengthen Domestic and International markets for Prince Edward Island's natural and manufactured products. It is anticipated that this Directory will assist in achieving this purpose.
